INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys, I'm *starving*. I just ate lunch, but food is no help.

No, my mouth is watering 'cause I got a good look at Iggy's amazing ass. It's like two hams stuffed in an extra-small pair of panties! And take a peep at Alex Grey's puffy nips—they're like plump, pink marshmallows.

Delicious little Odette says her favorite thing to eat is a pretty, sweet, sticky French dessert. Has she looked between her legs lately? Sizzling hot Sophia says *her* fave food is In-N-Out—but she seems to be even hungrier for her own coochie-coated fingers. And she won't give me a taste! :(

Then there's Natalia and Kendall and their bake-off. *I'll* be the judge of their cookies: They're both scrumptious-looking and almost too hot to put in my mouth!

Dang! I just drooled all over the layouts. I guess I'd better eat something. But what? Do you guys have any suggestions? ;)

xxx Lindsey

Mm-mm good! J.E. and N.A., your letters are as delicious as the ladies. We hope you enjoy your tasty trophies!

Hello,
Mandy, oh Mandy
Oh, Mandy Muse
I've got to admit, honey
I stand accused
Of loving your booty
so much from afar
Oh, my dear Mandy
you're my shining star

How many hearts
will you break in your life?
If I had the money
I'd make you my wife
But since I'm a poor man
and I can't have you
I'm hoping you'll pick me
Your panties will do.

Dear BARELY LEGAL,
I am crazy about BARELY LEGAL. The magazine, the videos, the girls, their cute little outfits and their interviews, but, most importantly, their panties. I am a proud panty fetishist, and it's often the panty shots (and what is revealed) that really get me going.

Now in the case of the lovely Madi Meadows, there is a picture in particular that started to get me hot. It's the shot of her reclining, shirt open, legs spread, and panties still on. Let me paint you a little picture.

First off, she has got to be one of the most beautiful girls to ever grace your pages. Imagining her gorgeous dark hair whipping as if in a storm and sultry dark eyes in the throes of ecstasy is like being in the presence of a fearsome goddess whose whispered secrets promise equal parts pain and pleasure.

I get started next to her in the moment the picture captures, the silent invitation of her legs parting, driving me wild already. I try to take my time gliding my hand down her supple skin, and soon I can feel her heat, but my fingers don't go underneath the pretty little blue bow. I feel the texture of the desired treasure—oh, I need them so bad. I feel the curves of her outer pussy lips, my imagination meeting reality at the tips of my fingers.

Her legs push wider, and she's gasping a little. My blood is boiling, but I don't forget to engage my other senses. I inhale deeply the scent of her skin from the soft recesses of her neck, which will remind me of the more powerful aroma coating my fingers when they dance deep inside her. Still working the outside of her panties, but pressing more desperately. I want her little panties to be a tempestuous, wet, sopping mess.

My lips taste the beading perspiration on the swells of her breasts until I find a hard, engorged nipple to taste and then to bite. Her breathing is fast, and her moans now include whimpers. If even one finger slips past her gauzy yet saturated barri-

er to the burning pink center of her pussy, there will be no going back.

And then all at once neither one of us is willing to wait another second. I pull the object of my fondest wishes to the side, but of course leaving them on. My fingers sink into the deepest parts of her young, strong flesh. I lock my lips on her hard little clit, and she pushes and grinds against my ministrations. When she comes, it's all over my face and hands and mouth and, yes, those little panties, too.

To actually win the prize that fantasy pleads for in addition to her sumptuous pictures—well, that tiny blue polka-dotted piece of eroticism would get quite a workout wrapped around my hard cock as I jizzed in tribute for days to the mesmerizing Madi Meadows.

Dear Lindsey,
I feel like I know you personally, as I've been a subscriber for so long. I hope in your personal life you have found that special someone who makes you happy and makes you come.

I'm writing this time to encourage Liza Rowe to wax her perfect pussy so as to show off her mound. Please, Liza, take a few shots of you on your back lifting up your pelvis, top and bottom view. You are so cute, and I love the shot of you with your two fingers holding open your major lips. Could you please do a shot holding your hood up to see your clit? Maybe a shot with a toy sticking in your pussy—I'd love that, too. Lindsey, please ask Liza to come back soon!

One final question, Lindsey: In the ads for subscriptions, the girls seem to have only appeared once. So many are awesome. I wish they would come back for another shoot. It would also be great if a then-and-now section could be added. Some women must still be hot and sexy and proud of their mature bodies.

Thank you for a great magazine. I look forward to every issue. I love all you young women who are brave enough to show all and turn us all on who subscribe to the best men's magazine ever.

C.K.
California

C.K., good news: Liza is back next month, in our June issue! Bad (but I hope not too bad) news: She still has her bush. She just loves being furry! I hope you and everybody will still find her cute.

Speaking of everybody: What do you all think of C.K.'s wishing for more girls to come back? And even to come back when they're old? I'd love to hear from you!

Finally, C.K., you're so sweet to think of me personally. I don't currently have one special someone—I have thousands! And you all make me come plenty. ;) ***—Lindsey***

Dear Lindsey,
Just a real quick note to say you did another awesome job with the January issue. I say absolutely no to having guys in BL. The main reason I buy BL is because it is the only porn magazine without guys in it. I'm glad to see your note that says you will just keep it as girls only.

My favorites this month are Bunny, Mika, Jayme and Alexandra, Anastasha, Isabelle, and Natily (BARELY LEGAL Slumber Party). Keep up the good work as always. I look forward to next month.

Take care and can't wait to hear from you. Also I like the Anniversary issue, amazing!

Stephen
North Carolina

Thank you, Stephen! It's because of feedback from readers like you that we know what to put (and NOT put) in the magazine.

And now I have a question for you, related to the letter above. Do you like Mika and Anastasha enough to see them again, hint hint?

—Lindsey

PHOTOGRAPHY BY STEVEN ANDRES

Hey, it's Lindsey. Pretty porn star Paris (November 2015) has made my fantasy come true and returned to us!

Paris, thanks for coming back! What do you like best about posing nude?

Modeling has been a huge part of my life for the past three years, whether posing nude, in lingerie, bondage, or the latest fashion trends. From being on set meeting new people and working with them to physically posing for the photos, I enjoy every aspect.

What do you think is your best physical feature?

Although I am very comfortable and confident with my physique, my face is most likely my best feature because of my full lips, almond-shaped eyes, and smile. I have been fortunate enough to have never had any desire nor dire need to get any type of plastic surgery or enhancements done to my body.

What do you like best about doing porn?

Pornography has opened my mind to a variety of new experiences and knowledge, not only about all of the different aspects of sexuality but also about myself as a person who is constantly evolving. Learning about other people and their bodies, what turns them on, what gets them off and why, is just so intriguing to me. I have met some incredible people who have enlightened me and guided me in becoming the performer and individual I am today.

What's your favorite method of masturbation?

The method I have found to get me off most intensely would include a little bit of pleasure and a little bit of pain. I'm quite the exhibitionist when it comes to masturbating in front of a camera or my partner.

What turns you on the most?

When someone's sexual energy matches my own and our chemistry as well as passion is at a peak. Intense intimacy on both an emotional and a physical level turns me on. Pushing my limits or my partner's limits turns me on.

What turns you off?

Attraction is very important when it comes to engaging sexually with a partner. My turn-offs that are not subconscious are bad hygiene and a negative attitude.

What kind of guys do you like?

When I check someone out I don't necessarily have any specific type I gravitate towards. It really comes down to physical attraction and an intellectual connection.

Are you bi?

Sexually I enjoy interacting with many different types of people, and sexual orientation or gender does not matter to me as long as the chemistry is present.

AGE: 20
HEIGHT: 5-3
WEIGHT: 126 POUNDS
MEASUREMENTS: 36C-25-34
HOMETOWN: SANTA ROSA, CALIF.

Do you like to give head?
Oral sex is something I think I am very skilled at, and I do very much enjoy pleasing my partner with my lips, tongue, and throat. Spitting, drooling, and gagging, making for a very sloppy blowjob, turns me on.

Do you like to swallow?
Swallowing cum doesn't bother me typically, and I do enjoy it with the right person and situation. Especially if it involves role-playing or dirty talk.

What's your favorite position?
It depends on the person I am having sex with and how I am feeling or what type of mood I am in. The best sex I have had would probably be standing, bent over the edge of a bed, or seated.

How do you like to be fucked?
Mainly I enjoy playing the role of the submissive, giving most of the sexual control to my partner, with a range of being tied, blindfolded, gagged, stimulated with toys, roughly fucked, or as simple as missionary.

What's the best way for someone to make you come?
In order to come I have to feel vulnerable but at the same time confident that my sexual partner wants me to get off and is really into the moment.

Where do you like a guy to come?
Depending on the intimacy of the situation, I enjoy for my partner to come in a variety of places on my body, from my mouth and face to my feet.

What's the weirdest place you've ever had sex?
It was in the parking lot of a gym in the middle of the day during a road trip I went on with one of my former partners. We had pulled over to take turns driving, and I also wanted to pull on leggings under my dress. What began as playfully spanking and grabbing my ass turned into really intense kissing and fucking.

What's the best way for someone to pick you up?
On a street bike, or with a good sense of humor and a welcoming smile.

How would you describe your dream date?
My dream date would be with one person in particular, someone very special to me. We would go to Italy, have a spa day, enjoy amazing food and drinks—and maybe do some sightseeing if we weren't too busy having incredible sex.

What's your favorite fantasy?
My favorite fantasy is something I would only want a very close partner to do, and eventually, if I am ever married, this is something that might happen quite often. My fantasy is to be alone, asleep in bed, and to have my partner sneak in quietly, unexpected, and wake me up with sex.

What are your future plans?
Near-future plans of mine include finishing my undergraduate degree in psychology, buying my first house, having my first child, and doing a bit of traveling. ★

"I'm down to try anything," declares 19-year-old **Alex** from Walnut Creek, California, "especially if it makes my kitty purr. Meow!!" Me-WOW! The hazel-eyed hottie wanted to pose for us because "I like the idea of guys jacking off to me as they look at my pictures." (We're guessing it's more than an idea at this point!) Alex's favorite way to fuck is "having my hair pulled doing it doggy-style, especially as I get my ass smacked." The bisexual, currently single sweetie says she would make a great girlfriend because she's "usually topless and in booty shorts if I wear anything at all." She also gives "the greatest head around" and is "always wet and ready." (*How* is this girl single?) In her free time, Alex enjoys "dancing, hiking, watching porn" and having what she calls "sneaky" sex: "I've had sex in a McDonald's bathroom, on the beach, in a park—all over the place. Nowhere is safe, LOL." Including the offices of BARELY LEGAL, hint hint? *—photos by friend*

my best friend

a BARELY LEGAL confession by jenny lee drake

Hey all! My name is Jenny Lee, and I'm a high school senior, just about to graduate. This confession is actually about my best friend, Missy.

Me and Missy are the same age, 18, but she has always been way more advanced. It didn't surprise me when she said she wanted to give her boyfriend Harley a three-way as a three-month (get it?) anniversary present. But I *was* surprised when she asked me to be the third party.

"I like penises, you know," I reminded her.

"Let me explain the rules of a three-way to you," she sighed. Missy sometimes acts like a little sex know-it-all just 'cause her and Harley read *Hustler.* "The main one is, one person gets all the attention. Since this is Harley's present, he is the star. You're just there to help me make him feel good. You won't even know I'm in the bed."

Missy's my bud, so I agreed to do it. Plus, I have to admit that Harley is hot. I especially like the way his tattoos bring out his arm muscles.

The big day arrived, and I was a nervous wreck. I drank a whole pint of peach brandy just on my way to Missy and Harley's trailer. We went into their tiny bedroom right away, which was fine by me. I just wanted to get it over with. My coochie was as dry as my mouth. I wasn't even going to enjoy the sex.

We stripped, and my eyes went straight to Missy's crotch, even though Harley was standing right there with eight solid inches of cock wavin' like a flag. I had seen plenty of penises before, but never had I seen a naked pussy besides my own. Missy's was completely bald, and it looked smooth and cool. My coochie tingled.

I turned away, confused. I like boys! Luckily, there was a boy handy. I pushed Harley onto the bed and stuffed his boner in my mouth.

"Yeah," he growled. He wound a bunch of my hair in his fist and pulled until his dick was all the way down my throat. Missy took this opportunity to plant her pussy on his face.

As I sucked Harley's cock, I looked up at Missy. She was slowly humping his mouth. Her long blond hair brushed back and forth over the curve in her back, and her plump butt cheeks tightened with each forward thrust. I felt a sudden urge to bury my nose in her dark crack.

Now I was freaking myself out. I frantically bobbed on Harley's boner to drive the lezzie thoughts from my head. My cooch was now buzzing like a bee. I told myself it was because of Harley's cock in my mouth and not the thought of Missy's nipples between my teeth.

"Fuck!" Harley yelled. "Missy, Jenny Lee's fucking biting my dick."

Missy crawled to the bottom of the bed and carefully removed Harley's penis from my mouth.

"Like this, honey," she murmured. She swirled her tongue around Harley's cock. "Now you," she directed.

I followed her example. Harley's satisfied grunting inspired me. At least I *think* that's what inspired me.

"Let's do it together," I suggested to Missy.

She nodded, bending to slurp his balls while I gently lapped at his swollen head. But then somehow we both ended up licking the shaft at the same time, and our tongues accidentally touched.

"Yeah!" Harley groaned approvingly, even though contact between me and Missy was against the three-way rules.

Encouraged, I kissed Missy and tentatively squeezed her boobs, thinking she wouldn't mind as long as Harley was okay with it.

"Oh, yeah!" he cheered again.

PHOTOGRAPHY BY E.I.P. STUDIOS

Missy *didn't* mind. In fact, she pressed her entire body against mine until our titties mashed together, and stuck a finger into my dripping hole. I yelped in surprise.

Before I could think, I was on my back and Missy was on top, sloppy-kissing me and biting my neck and sliding her finger in and out of my wet pussy. I couldn't hear Harley anymore, but I was past caring.

I grabbed Missy's head, plunging my tongue deep into her mouth. She tasted like her peppermint Tic Tacs. I pulled her in closer, grinding my clitty against her hand. Missy slipped another finger into my cooch and started banging me for real.

My mouth let go of hers and I gripped her neck, hanging on for dear life. One last thrust of Missy's two fingers, and *squeeeeee*—I had the biggest, squealingest orgasm ever.

I laid there panting as Missy caressed my belly. I looked around.

"*Uh-oh*," I said. "Harley's gone."

"That was the idea," said Missy. She slid down between my thighs.

And that's how I found out my best friend was a lez! But I didn't mind. ;) ★

NATALIA STARR & KENDALL KAYDEN

twin titties

Hey again! It's Stacy the intern. You guys, I can handle *one* superhot blonde, but *two*? Lindsey is trying to kill me!

Natalia and Kendall, my brain is exploding. I can't decide who's hotter!
Kendall: Good! I don't like being compared to other models—even if it's in my favor. We're all special and unique.
Natalia: But Kendall, you have to admit, we are so much alike, too.
How are you alike?
Natalia: We both have nice big boobies.
Kendall: True. And we both like to suck on nice big boobies. ;)
That's not unusual or anything.
Kendall: We also get turned on by the same thing: massages.
Natalia: Yes! I love strong hands all over my body. My pussy gets so wet.
Kendall: If someone gives me a good massage, I'm all theirs. I'm like their sex puppet.
Still pretty common.
Natalia: Okay, the weirdest thing we found out—we both *love* to bake cookies.
Kendall: *Really* love. We actually fought over our cookies!
Natalia: We had to have a bake-off with all our girlfriends as judges. And I won, of course.
Kendall: Because you cheated!
How did Natalia cheat?
Kendall: She baked tiny cookie cocks and balls on her gingerbread men. Of course she got all the votes!
Natalia: It was just a little extra flavoring. LOL!
Do you like to eat real cocks, Natalia?
Natalia: Yes! I have shot many, many boy/girl scenes, and soon I will be shooting my first anal scene! I'm so excited!
What about you, Kendall?
Kendall: I love sucking cock—but I love, love, *love* eating pussy. Especially Natalia's.
Natalia: Will you give me head right now?
Kendall: Of course! Always give what you wish to receive. ;)
You guys are giving *me* double vision. Someone feed me a cookie! ★

PAIGE

girls do it too

Chicks are lying when they say they never touch themselves," claims 18-year-old self-abuse addict Paige. "The Catholic Church fucked me up so much I'd run to confession every time I jerked off. I think the priest dug it. He was all, 'How many times a day, my child?'

"I don't feel guilty anymore. I love to spread my legs and look at my hard clit sticking out of my fur patch. Inside, my walls are as smooth and soft as the inside of my mouth. I have dildos and toys, but my favorite thing is to do it where I know I could be caught really easy.

"My stepfather, Liam, should be down any minute for his morning coffee. It will be worth being grounded for life to see the look on Liam's face when he sees me rubbing my mound against the counter."

Paige glances at the clock. "I guess he must be sleeping in. My hole is throbbing so hard, I don't think I can wait." Paige closes her eyes and flicks her joy button. "Will you watch me come?" ★
